Chapter 33 will not pay housing stipend for students attending half-time or less. Students enrolled in ALL distance learning courses (web/online courses) will only receive housing stipend that is half of the national average.

Chapter 30 and Chapter 1606 students must submit verification of enrollment each month at the end of the month (the last day of the month is the earliest you can verify). Web Automated Verification of Enrollment: www.gibill.va.gov/wave. Or call 1-888-GI-BILL-1.

I have received information about my VA Educational Benefits from a student veteran representative now or in the past. I will immediately notify the SFC Office of Veterans Affairs of any change to the above information.
