PRELIMINARY GRANT PROJECT PROPOSAL

Date: _____
Project Manager: _____ Email:_____
Department:_____

1. Describe the target population to be served. Include approximate number to be served.

2. Document the problem or need. How does the problem relate to SF students? Does the need relate to a certain population of students?

3. Have you identified potential funding sources?

We look forward to working with you. Please submit this form to our office by email and we will contact you within five working days.
