Title: **Purchasing and Contract Authority**
Rule 5.2

General Authority: FS 1001.64, 1010.04
Law Implemented: FS 1001.64, 112.313; 6A-14.0734, FAC

Effective Date: June 17, 2009

Purpose: To state policy relating to expenditures for the purchase of goods and services and to identify the College officials who are authorized to execute contracts on behalf of the District Board of Trustees for personal professional services.

The President shall act for the Board in the establishment of procedures for purchasing of goods and services in accordance with applicable Florida Statutes, State Board of Education rules, policies established by the Board, and good business practice.

The President may delegate the responsibility and authority for the procurement of goods and services for the College to the Director of Purchasing, the supervisor thereof, and/or the vice president responsible for supervising the purchasing function. The President, Director of Purchasing, or supervising vice president may further delegate the authority for purchases of $5,000 or less. Expenditures shall be limited to the amount provided in the approved College budget for each category of each fund. Personnel who have been designated as having authority to purchase shall endeavor to obtain maximum value for all expenditures and shall take appropriate steps to obtain the lowest prices for goods and services required to satisfy the needs of the College. At no time will purchases of a personal nature be made with College funds.

**Sustainable Purchasing**

The President shall establish policies for the purchasing of environmentally friendly goods and services in accordance with College values and strategic goals.

**Requests for Quotations, Bids, Replies, and Proposals**

Subject to exceptions provided by Florida Statute and State Board of Education rules, the College shall solicit three or more written quotations for purchases that exceed $5,000 and are less than the amount specified in Category 2, Florida Statute §287.017. If possible, at least one quotation shall be requested from a local minority vendor. Non-exempt purchases that exceed Category 2, Florida Statute §287.017, shall be obtained through a competitive solicitation, which may include an invitation to bid, request for proposals, or invitation to negotiate. The Board delegates to the President/designee the
authority to approve or reject solicitations for purchases that do not exceed the amount specified in Category 5, Florida Statute §287.017. Purchases meeting or exceeding the amount specified in Category 5, Florida Statute §287.017, shall be approved by the Board. If possible, at least one bid, proposal, or reply (as appropriate) shall be obtained from a local minority vendor. The Board may reject any and all bids, proposals, or replies. If other than the lowest response meeting specifications is recommended, the President shall provide justification for such action for inclusion in the minutes of the Board.

A listing of purchases that exceed the amount specified in Category 2, Florida Statute §287.017, which are made by the College during the previous month or awarded by the President/designee, shall be made available at Board meetings.

Contracts, Leases, and Agreements

Contracts, leases, or agreements with an annual cost less than the amount specified in Category 5, Florida Statute §287.017, associated with a purchase order and within the parameters of State Board of Education Rule 6A-14.0734, shall be forwarded to the Director of Purchasing for review and signature, subject to approval by legal counsel. Contracts, leases, and agreements associated with a purchase with an annual cost greater than the amount specified in Category 5, Florida Statute §287.017, must be approved by the Board of Trustees and executed by the Board Chair.

Contracts for Personal Professional Services

The term “Personal Professional Services” is defined as a service provided by an individual or sole-proprietorship for the benefit of the College where goods are not material to the transaction. Examples may include, but are not limited to, accountants, auditors, consultants, guest lecturers, maintenance personnel, and speakers. Personal professional services contracts that exceed the amount specified in Category 2, Florida Statute §287.017, shall be approved by the Board of Trustees and executed by the Board Chair. Personal professional service contracts involving amounts less than that specified in Category 2, Florida Statute §287.017, may be executed by the President or designee. Designees to execute these contracts shall be limited to Santa Fe College vice presidents.

Doing Business with College Employees and Conflicting Employment

College employees are generally prohibited from doing business with the College outside of their College employment and all such conduct shall be in accordance with Florida Statute §112.313.
Facilities/Physical Plant

Purchases and expenditures relating to facilities construction contracts and contractors for Fixed Capital Outlay Projects shall be in accordance with the appropriate sections of Chapter 6 of the College’s Rules Manual.
