- ❖ New students are accepted for Fall or Summer A admission only.
- ❖ Admission to UF is not guaranteed.
- ❖ May take more than 60 hours to complete both AA requirements and UF requirements.

Using the Suggested Plan

This is a general suggestion for when to take your courses to fulfill both your AA and current university admission requirements. You should consult with your academic advisor and refer to your degree audit detail regarding your specific requirements. If you change your transfer goals, this sample plan may no longer be relevant.

Finding Your Academic Advisor

This sample plan, prepared using information available as of 06/08/17, is not a binding agreement of any kind between Santa Fe College and the student, but merely represents a potential curriculum which may be altered from time to time as appropriate to meet the student's academic objectives and the transfer admission requirements of the University of Florida. The student should inquire each semester before registering to determine current requirements and possible changes to the suggested curriculum.
