Using the Suggested Plan

This is a general suggestion for when to take your courses to fulfill both your AA and current university admission requirements. You should consult with your academic advisor and refer to your degree audit detail regarding your specific requirements. If you change your transfer goals, this sample plan may no longer be relevant.

Finding Your Academic Advisor

You can find your assigned advisor and schedule an appointment with them through the link on your eSantaFe Degree Audit. AA Advisors are located in R-201.

This sample plan, prepared using information available as of 06/07/17, is not a binding agreement of any kind between Santa Fe College and the student, but merely represents a potential curriculum which may be altered from time to time as appropriate to meet the student's academic objectives and the transfer admission requirements of Florida State University. The student should inquire each semester before registering to determine current requirements and possible changes to the suggested curriculum.
