Total	11

Semester Five Term _____ Year _____

Course	Hrs
Natural Sciences College Core Group 2 course – Check with advisor for recommendation	3
MAC 2311 (Math/Elective - UF req.)	4
Social Science Group 1 course (from Core section not taken)	3
Elective	3
Total	13

General Education Courses

You must complete courses from each of these areas in order to graduate– view your Degree Audit Detail for list of courses. We recommend consulting with your advisor each semester to stay on track.

Writing Intensive Course Requirement - A total of 12 hours are required: 6 hours in Communications, and 6 hours from other categories as per state rule 6A-10.030.

Do you meet the AA Foreign Language Competency Requirement? If not, speak with your academic advisor regarding how to include it in your plan.

Required Courses for UF Transfer

4 courses out of GLY 2010L, OCE 1001, ESC 1000, PHY 2004, PHY 2005, CHM 2045, CHM 2046, MAC 2311, MAC 2312

This track is specifically designed to meet these 4 options as this is the clearest way to the BS after transfer: CHM 2045, PHY 2004 (note for profession school or a job in the field you may want to speak to UF advisor to consider PHY 2053 or PHY 2048 instead), MAC 2311, and one out of GLY, ESC, or OCE.

- ❖ Admission to UF is not guaranteed.
- ❖ May take more than 60 hours to complete both AA requirements and UF requirements.

Using the Suggested Plan

This is a general suggestion for when to take your courses to fulfill both your AA and current university admission requirements. You should consult with your academic advisor and refer to your degree audit detail regarding your specific requirements. If you change your transfer goals, this sample plan may no longer be relevant.

Finding Your Academic Advisor

You can find your assigned advisor and schedule an appointment with them through the link on your eSantaFe Degree Audit. AA Advisors are located in R-201.
