President's Report

Information Item

---

The president asked Dr. Ed Bonahue, Chair Humanities and Foreign Languages, to inform the board of some good news he received today. Dr. Bonahue stated that he had received a faxed letter from Congressmen Stearns' office today that stated Santa Fe had received funding from the Undergraduate International Studies and Foreign Language Program Title 6A in the amount of \$78,000.

The president extended congratulations to Vice Chair Bessie Jackson for receiving her doctoral degree.

President Sasser recognized Terry Thomas, Chapter President of FACC, and Amber Ingersoll, Career Service Chair. Ward Scott, College Senate President, and Jeremy Green, Student Government President, were unable to attend today's meeting.

President Sasser noted that possible dates have been identified for a board retreat and that Ms. Tina Crosby would be contacting members regarding the dates.

The president announced that the college would be closed for Professional Development Day for employees on March 26.

The president reminded everyone that the March of Dimes WalkAmerica is Saturday, March 27, at Westside Park.

Dr. Sasser mentioned that Richard Florida, the author of *Rise of the Creative Class*, would be giving a free lecture on March 31 at the Reitz Union Ballroom at on the University of Florida campus. He noted that Santa Fe is co-sponsoring the event and encouraged everyone to attend. He informed the board that Gainesville was ranked number two among cities under 250,000 under the creative scale criteria.

President Sasser commented that Santa Fe would be hosting a biotechnology summit on April 1-2 for ten community college presidents.

The following quarterly employee award winners were recognized and received a plaque of appreciation and service pin: faculty, Bridget Middleton; administrative and professional, JoAnn Wilkes; career service, Patricia Karl; part-time faculty, Nancy McCurdy; and part-time non-instructional, Jessica Hunt.

Trustees received the Santa Fe Report, *Vitality* magazine, Peacock Prints, Leadership Institute Newsletter, schedule for Professional Development Day, Graphic Design brochure, and a SFCC Spring Arts poster.

Revised Rule 2.2: College Organization

Information Item  
410.368, 03-04

---

This revision moves the college organizational chart from the rule-making process to the administrative procedure (Procedure 2.2P: College Organization). The revision also clarifies that administrative procedures must be approved by the president after review by Cabinet. Making the chart part of the procedure will facilitate keeping the chart current and eliminate costly legal procedures.

Discussion: Ms. Patti Locascio, General Counsel, stated this was basically a housekeeping item to transfer the organization chart from the board rule to a college procedure. As it currently stands, every time the president makes a change within the organizational structure, it has to be brought to the board for a vote. Trustee Bradley asked for clarification on the next to the last sentence of Rule 2.2 pertaining to identification of members of the executive committee as the only ones with authority when another rule or procedure referred to a "Cabinet member." Patti Locascio explained the meaning of the sentence and agreed to make revisions to make it clearer to the reader.

Project Report and Action Request: Building G Re-Roofing - Awarding of Bid

412.965, 03-04

---

Project Description:

This project consists of the removal of the existing built-up roof and the installation of a new built-up roof on G building.

Architect/engineer	Craig Salley & Associates, Gainesville, Florida
Construction manager/contractor	To be determined
Uniform building code inspector	In-house
Project budget	\$335,000
Source(s) of funds	PECO

Project Status:

The board granted permission at its January 20, 2004, meeting to advertise and bid this project. Bids were opened March 5, 2004, and posted as required on March 15. The outcome of that bid opening is as follows:

Big D Roofing, Inc.	\$186,314.00
Perry Roofing, Inc.	\$201,000.00
Childers Roofing and Sheet Metal, Inc.	\$202,000.00
Poole Roofing & Sheet Metal Co., Inc.	\$213,900.00
McCurdy-Walden, Inc.	\$261,800.00

**Board Action(s) Requested:**

**Permission to award bid to Big D Roofing, Inc., the apparent low bidder, in the amount of \$186,314.00**

Discussion: Mr. Bill Reese, Associate Vice President Facilities Services, reviewed item 4.1. Trustee Bradley asked if the college took into consideration the life span of a built-up roof versus metal roofs. Mr. Reese responded that the warranties for metal roofs are misleading in that they are usually for the finish on the metal and not for the water tightness of the roof. He explained that building G is not a stand-alone building. It adjoins the concourse which also adjoins building B. Putting a standing seam metal roof on part of what is a contiguous roof would be impractical because it adds considerable weight to the structure. Trustee Perry reiterated that most of the buildings on campus have flat roofs and would not support the weight of a metal roof and said that there is considerable additional cost to adding a metal roof.

Discussion: Ms. Rochelle Prince, Associate Vice President for Finance, reviewed items 6.1 through 6.5 individually. In reference to item 6.4, the president asked Mr. Daryl Johnston, Chief of SFCC Police Department, to give an update on the six stolen computers from the Liberal Arts Department. Chief Johnston stated that measures had been taken before the Christmas holidays to identify vulnerable areas on campus. However, police patrols did not detect the missing computers because they were not easily visible. With the help of Gainesville Police Department, fingerprints were obtained, analyzed, and the decals for the computers have been processed into the national crime computer system. Chief Johnston and Mr. Tim Nesler, Vice President of Information Technology Services, have analyzed the cost of installing security chips in all computers. At this time the cost is prohibitive. The investigation of the theft is on-going.

Regarding item 6.5, Trustee McRae asked who will oversee the renovation of the bookstore. Mr. Bill Reese responded that the job would be contracted out and he would be overseeing the project.

Trustee Bradley questioned the cost of the purchase of the sixteen lap top computers. Mr. Tim Nesler responded that this was state contract price and the computers are specially configured to meet SFCC requirements. The laptops purchased are part of the computer replacement plan, can be checked out by faculty and staff for conferences, and are used by community education programs for community training.

Trustee Bradley also inquired on item 6.2 what the set of five asterisks represent on the spreadsheet. Ms. Prince responded that it represents the total of the original cost of contingencies and is not singled out as an individual line item on the spreadsheet.

Action: Motion to approve items 6.1 through 6.5: McRae  
Second: Perry  
Vote: Bradley - yes, Brashear - yes, Jackson - yes, Mallini - yes, McRae - yes,

Colonel Harry M. Hatcher, Jr. Property Survey 04-05200.665, 03-04

Below and on the attached pages are requests from the various custodians to remove property from their inventory for the reasons indicated. The college has a Property Survey Committee composed of representatives from around the college who review the departmental requests before they are presented to the board for approval.

The Property Survey Committee met February 24, 2004, to consider departmental requests to be relieved from inventory accountability. The committee members sent their approvals that the following requests be accepted and recommend board approval to remove the items listed below from the active property control inventory records. A detailed list of all items from each category is attached.

Category	Number of Items	Original Cost or Value Items < \$5,000 to be Removed from Inventory
Stolen	7	\$ 13,102.00
Worn-Out Equipment with Salvageable Parts	17	42,704.80

<b><u>6</u></b>	<b><u>\$75,255.67</u></b>	<b><u>\$53,418.67</u></b>	<b><u>\$21,837.00</u></b>

**Notes**

Stolen Items are items that have been reported to the SFCC Police Department as stolen.

Worn-Out Equipment with Salvageable Parts are items from which parts will be taken before the items are discarded.

Worn-Out Equipment with No Salvageable Parts are items that are no longer in usable condition and are not cost-effective to repair.

Surplus Property is generally offered to Alachua and Bradford counties schools first. If the counties are not interested in these items, they will be offered to other non-profit organizations that have requested them. Items that are not requested will then be sold at a surplus auction.

Trade-Ins are items that have been traded in on new equipment.

Transfers are those items being transferred to the institution shown. These institutions are always non-profit entities.

Acquisition Value represents the college's acquisition cost, NOT the current value of the items. The college depreciates and capitalizes items costing \$5,000 or greater. Items greater than \$750 but less than \$5,000 are not depreciated or capitalized but are tracked for inventory purposes ONLY. The present value of most of the items less than \$5,000 listed here is substantially lower than the amount indicated.

Request for Authorization of President's Signature on Standardized Affiliation Agreements for Health Information Management Program 408.1415, 03-04

---

The Health Information Management program seeks to place its students in professional practice experience positions in order to gain valuable, direct experience in their field of study. A list of all standard agreements executed shall be presented to the board as an information item at the meeting following the signing of such agreements. This authorization does not apply to non-standard agreements.

**Board action(s) requested:**

**It is requested that the board authorize the president to execute on behalf of the board standardized form affiliation agreements in substantially the form attached hereto without further action by the board.**

Discussion: Regarding item 8.1 Trustee Bradley asked for an explanation regarding the authorization process on the attached contract. Ms. Fran Holm, Associate Vice President Technology and Applied Sciences, responded in order to expedite placement of the students, the college is asking for board approval to allow the president or vice president to execute the standard affiliation agreements. Any agreement that deviates from the standard form presented would be brought before the board for approval.

Health Careers Opportunity Program (HCOP) -- Grant

409.1476, 03-04

---

The purpose of the Health Careers Opportunity Partnership (HCOP) is to facilitate the entry, retention, and graduation of economically and/or educationally disadvantaged students from one of seven targeted health science programs at SFCC or into upper division health professional schools. Thirty HCOP-eligible high school students will be chosen for preliminary education through a 20-week (120 hours) Saturday academy at Santa Fe's main campus. Thirty HCOP-eligible graduating seniors and college students will be selected for preliminary education starting with a six-week (180 hours) HCOP Summer Institute (structured program) and 20 college students will be selected for a non-structured program. Associated with both the structured and non-structured programs will be a comprehensive retention program that supports all HCOP college students from their prerequisite years until completion of a Health Sciences program or a general associate of arts (for transfer) curriculum.

The amount of funds requested from the U.S. Department of Health and Human Services, Public Health Service, Health Resources and Services Administration, Bureau of Health Professions, Division of Health Careers Diversity and Development, is \$305,604, with an in-kind match of \$16,535 from Santa Fe Community College.

Duration of this project is September 1, 2004, through August 31, 2005.

Operating budget impact: In-kind match from existing college budget
