

Santa Fe College
District Board of Trustees

Minutes of Board Meeting Held May 19, 2015
Santa Fe College Teaching Zoo, Gainesville, Florida

Members present: Blake Fletcher, Robert C. Hudson, Caridad E. Lee, G. Thomas Mallini,
Arley W. McRae, Robert L. Woody

Members absent: Jeffrey L. Oody, Lisa M. Prevatt

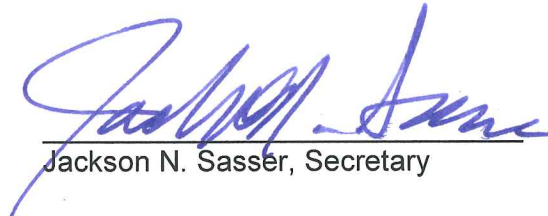

Chair Robert L. Woody called the regular meeting of the District Board of Trustees of Santa Fe College to order at 4:05 p.m., at the Santa Fe College Teaching Zoo in Gainesville, Florida, followed by the Pledge of Allegiance. He welcomed everyone to the Zoo.

President Sasser thanked Mr. Jonathan Miot, Director and Associate Professor of the Zoo Animal Technology Program, for hosting today's board meeting and asked him to give an update on the Zoo. Mr. Miot thanked the board for the opportunity to present updates about the Zoo and introduced several former and current Zoo Program students. He conveyed three primary messages to the trustees. The first is the rigorous nature of the animal technology program. He gave a comparison of how the zoo program is similar to the nursing program. The students attain the skillset of the nursing equivalent of the animal world in nutrition and other areas extending from newborn to geriatric care. SF is the only Zoo Animal Technology Program in the nation with an accredited zoo on its grounds. The second and third messages are the continued focus and participation in community education along with a strong emphasis on conservation projects. Of note is the Guam Rail bird, a previously extinct species of bird now successfully bred at the Zoo. These birds have been successfully reintroduced to the wild. The Zoo has over 50,000 visitors a year. Recently, the Gibbon enclosure was completed and the newest addition to the family is a baby Gibbon born on March 21. He added that his staff and students would be available after the meeting to give everyone a tour of the facility.

The meeting adjourned at 5 p.m.

Jeffrey L. Oody, Vice Chair

Jackson N. Sasser, Secretary

President's Report

Information Item

President Sasser recognized Mr. Tom Mason, President of AFC; Mr. Conor Flynn, President of Student Government; Ms. Nina Trombi, Career Service Council Chair; Dr. David Price, College Senate President; and Ms. Olysha Magruder, Presiding Officer of the Senate Executive Council.

The president asked Dr. Vilma Fuentes, Assistant Vice President for Academic Affairs, to introduce our special international guests. Dr. Fuentes said the college is hosting a delegation of 14 Indonesian community college administrators, as part of a six-week Community College Administrator Program (CCAP) funded by the U.S. Department of State and administered by Florida State University with Santa Fe College as the lead community college partner. She added that three of the guests are attending the board meeting while the others were visiting the college Library. The board welcomed Risa Herfina, Ibrahim Musa and Kresna Murti to Santa Fe College. Dr. Fuentes added the State Department is funding six CCAP programs for different developing countries. FSU and SF will be managing four of these programs, benefiting community college administrators from Indonesia, India, Ukraine and a group of Latin American countries. A delegation from India is scheduled to arrive in the fall of this year, and delegations from Ukraine and Latin America are expected in 2016.

Dr. Sasser noted the annual Evening Social for employees is June 2 at 5 p.m. in S29/30 and the Ice Cream Social is June 10 at 2:30 p.m. in R-01.

Dr. Sasser said the special legislative session begins June 1 and noted that the board budget workshop/dinner is scheduled for June 15 at 5 p.m. He was optimistic that the college would have information to present to the board for the workshop. The next board meeting is June 16 on the NW Campus.

The president welcomed Mr. Bill Penney, the new Associate Vice President for Information Technology Services and Chief Information Officer, to the college. He also took the opportunity to thank Mr. John Chapman for successfully serving as interim director.

Strategic Planning

Information Item
419.29, 14-15

Dr. Lisa Armour, Vice President for Assessment, Research, and Technology, will provide an update on the Strategic Plan.

Discussion: Dr. Lisa Armour, Vice President for Assessment, Research and Technology, gave an update on the Strategic Plan. Dr. Armour directed the trustees to reference a handout explaining the strategies and tactics that she will be using to develop a progress report, which will be presented to the board by the end of summer. The handout was color coded, with green designating strategies and tactics that would be added to the report and gold designating those that were possibilities for inclusion.

College Goal: Outreach and Access - Identify, assess, and meet community needs to promote open access to the college

Agenda Item: 2.4

***College Goal: Educational Programs - Provide learning opportunities
and academic support to ensure the highest levels of academic performance***

Standard Health Sciences Clinical Facilities Agreements with:
Jupiter Medical Center, Inc.

Information Item
408.2179, 14-15

The board has authorized the Provost and Vice President for Academic Affairs to execute standardized form clinical facilities agreements without further action by the board. Such an agreement has been executed with Jupiter Medical Center, Inc., located in Jupiter, Florida, for students enrolled in the Santa Fe College Health Sciences Cardiovascular Technology program.

***College Goal: Outreach and Access - Identify, assess, and meet
community needs to promote open access to the college***

Amended Rule 4.3: Degree and Certificate Requirements: Associate in Arts, Associate in Science, Baccalaureate, Technical Certificate, Applied Technology Diploma, and Vocational Certificate Information Item 410.499, 14-15

This update incorporates the new auto-graduation process into the rule. With auto-graduation, students eligible to graduate are not required to complete a graduation application. Instead, they receive an electronic notification which informs them that they will be graduated unless they opt out. Auto-graduation supports student achievement.

College Goal: Resources - Develop, obtain, and allocate the necessary resources to implement the college's mission

Amended Rule 7.11: Student Fees and Refunds

Information Item
410.500, 14-15

The Florida Legislature has not approved any changes to the *standard tuition* rate for both lower and upper division credit courses (Advanced and Professional, Postsecondary Vocational, Developmental Education, and Educator Preparatory), and non-credit courses (Postsecondary Adult Vocational) offered by the college at this time. Currently, fees for students enrolled in Adult Education and Vocational Preparatory include single block tuition of \$30 per term for all resident and non-resident students.

Recommended changes to fees will be presented by a proposed change to college Rule 7.11 in its entirety at the June Board of Trustees meeting. Any recommended fee increases are to be effective with the beginning of the fall term registration.

If the current *maximum* tuition and discretionary fee rates were adopted (including the transportation fee at \$3 per credit hour), the estimated total annual increase for a full-time student taking 30 semester hours per year would be approximately \$247.00 for lower division credit courses.

Agenda Item: 2.7

College Goal: Resources - Develop, obtain, and allocate the necessary resources to implement the college's mission

Fee Waiver Report for Spring Term 2015

Information Item
200.860, 14-15

Pursuant to Rule 7.13, the college grants fee waivers for course fees (excluding technology, transportation, access, lab, and distant learning fees). The attached report identifies the waiver type granted by the college for the identified term(s) listed by waiver type, number of students granted waiver (count) and the dollar amount associated with the waiver type.

College Goal: Resources - Develop, obtain, and allocate the necessary resources to implement the College's mission

Tourism Product Development Program – Spring Arts Festival – Grant to Foundation

Information Item
409.2036, 14-15

The purpose of this Foundation project is to enhance the Santa Fe College Spring Arts Festival which has consistently demonstrated potential to aid in the development of the tourism economy for Alachua County. Santa Fe College Spring Arts Festival provides residents of Alachua County and visitors from across the United States the opportunity to appreciate works of arts by some of the country's finest artists. Santa Fe Spring Arts attracts more than 100,000 visitors each year. Fifty percent of the requested funds are targeted for out-of-county advertising.

The amount of funds requested from the Alachua County Tourist Development Council to the Foundation is \$50,000.

Duration of this Foundation project is October 1, 2015, through September 30, 2016.

This item is an information item rather than a voting item for the District Board of Trustees of Santa Fe College because this grant is a Foundation grant and is solely administered by and through the Santa Fe College Foundation, Inc.

Operating budget impact to Santa Fe College: None.

College Goal: Resources - Develop, obtain, and allocate the necessary resources to implement the College's mission

Tourism Product Development Program – Showcase Santa Fe - Grant to Foundation

Information Item
409.2037, 14-15

The purpose of this Foundation project is to enhance the events at the Santa Fe College Zoo, Planetarium and the Fine Arts Hall that have demonstrated potential to aid in the development of the tourism economy for Alachua County. *Showcase Santa Fe* will include the following activities and performances: Santa Fe Zoo tours, Planetarium shows, “Children’s Holiday at Santa Fe”, “Peter and the Wolf”, a child-friendly classic musical and the Tony award-winning play “Sweet Charity”. Jennifer Holliday, a Tony Award-winning actress, will work with regional gospel choirs to create a unique community event like last year’s Ruben Studdard concert. “Carmen” a classic ballet production performed by the Joffrey Ballet Group will also be included. Forty-six (46) percent of the requested funds are targeted for out-of-county advertising.

The amount of funds requested from the Alachua County Tourist Development Council to the Foundation is \$50,000.

Duration of this Foundation project is October 1, 2015, through September 30, 2016.

This item is an information item rather than a voting item for the District Board of Trustees of Santa Fe College because this grant is a Foundation grant and is solely administered by and through the Santa Fe College Foundation, Inc.

Citizens' Requests

423.36, 14-15

Subject to exceptions set forth in Florida law, members of the public shall be permitted to be heard on a proposition pending before the board during this agenda item prior to the board taking action on the proposition. An individual wishing to be heard shall complete the Citizen's Request form maintained by the board secretary (College President) at least 15 minutes in advance of the meeting and shall be allotted up to three minutes to address any issues, whether the issue is on the board agenda or not; the board chair may allow limited extended time at the chair's discretion. If a group consisting of more than five individuals wishes to be heard on a subject, the group must designate a representative to speak on its behalf.

Discussion: Chair Woody asked if there were any requests from citizens, and in hearing none, the chair moved to the next board item.

GradImages Request for Service

408.2181, 14-15

The purpose of this agreement is to provide GradImages with exclusive rights to take photographs of Santa Fe graduates inside the building during the ceremony, plus public relations photos before, during, and after each graduation ceremony. GradImages will mail, text, and/or email each graduate photographed a photo proof within 7 days, with no obligation to purchase, as well as deliver images of the ceremonies to the college. The service is offered at no cost to the college. The college will receive \$0.50 for each graduate photographed. GradImages has been providing photography services to the college since 2012, and the existing agreement expires at the end of 2015. The new agreement grants photography rights to GradImages from 2016 to 2018, with an option to extend for an additional two years.

Board Action Requested:

Approval and delegation of authority to the Vice President for Student Affairs to extend the agreement for up to two years upon the expiration of the initial term in 2018 in accordance with the terms of the Agreement.

Annual Comprehensive Safety Inspection Report for Fiscal Year 2014-2015

412.1131, 14-15

In accordance with Florida Statutes, Chapter 1013.12 and Florida Administrative Code 6A-2.0010 the Board of Trustees must ensure that all educational facilities meet the requirements of law, rule, and State Requirements for Educational Facilities (SREF) that provide for enforcement of the life safety, health, sanitation, and other standards. The board shall ensure that every building on each site within its jurisdiction, whether owned, leased or lease-purchased, receives an annual comprehensive sanitation and casualty safety inspection conducted by an inspector.

The College's annual inspection was conducted on March 30 and March 31, 2015, with Fire Prevention Specialists, Inc., through the Florida College System Risk Management Consortium in conjunction with college staff. The Annual Comprehensive Safety Inspection Report was prepared by inspectors Jeb Bynum and Brian Webber and all of the items noted as a deficiency have been corrected or are scheduled to be corrected as noted.

Ratification of Emergency Signature Authority for Agreement of Sale and Purchase 408.2182, 14-15

As discussed at the recent board workshop, in an effort to expand services to students served by the College's downtown centers, the College is interested in purchasing property consisting of approximately .50 acres. This property is in close proximity to the Blount Downtown Center and the Center for Innovation and Economic Development and will be used for future expansion of college programs. With Innovation Square and other upcoming projects in the direct vicinity of this property, the College is well situated to be a major player in the development of and personnel training for companies as they move to the area.

The College successfully negotiated proposed terms of the Agreement. Waiting for the next board meeting to execute the agreement would have created financial difficulties because this real property negotiation includes a time delay for closing in order to allow the seller to liquidate inventory and close out a business, all of which are factored into the purchase price and sale.

The College has 45 days from the agreement's effective date (April 29, 2015) to further review environmental studies and other issues, such as availability of utilities, subsoil conditions, and asbestos mitigation, during which time the college will retain appropriate consultants. The College may exercise its right to cancel the agreement without penalty during this Investigation Period, which expires on or about June 12, 2015.

Pursuant to Florida Statutes §1013.14, for purchase in an amount in excess of \$500,000, the board shall obtain at least two appraisals by certified appraisers. If the agreed purchase price exceeds the average appraised value, the board is required to approve the purchase by an extraordinary vote. An extraordinary vote is interpreted under Florida law to mean more than a majority vote. The College anticipates that more information regarding appraised values will be available at the time of the meeting, if not before. In addition, the Seller is required to provide a Title Insurance Commitment to the Board by May, 15, 2015; the Title Insurance Commitment likely will require a resolution to be passed by the Board.

Accordingly, depending on the average of the two appraisals, the board may consider the following at the May board meeting:

- (1) Ratification of the agreement signed by Chair Woody,
- (2) Passing a resolution to affirm the agreement, and/or
- (3) Assuring that the board approves the purchase by extraordinary vote.

These items will be reviewed in more detail at the board workshop scheduled just prior to the board meeting.

Board Action Requested:

- (1) **Ratification**
- (2) **Passing a resolution to affirm the agreement, and/or**
- (3) **Assuring that the board approves the purchase by extraordinary vote.**

Discussion: President Sasser thanked the board for the opportunity during the workshop to discuss the agreement of sale and purchase of property that is in close proximity to the Blount Downtown Center and the Center for Innovation and Economic Development. He added that the purchase would be used for future expansion of college programs. Trustee Hudson made the motion to ratify the agreement of sale and purchase signed by Chair Woody on April 29, 2015, subject to the understanding that this vote does not constitute the condition precedent of an extraordinary vote to approve the stated purchase price which extends the average of two appraisals in accordance with Florida Statute 1013.14, and contingent upon an amendment to be executed containing a renegotiated purchase price and any other matters that may arise in the course of negotiations.

Report of Investments, Quarter Ending March 31, 2015

201.784, 14-15

Demand deposits are maintained in the board's operating funds account with BBVA Compass. Daily collected balances earn interest at the average monthly federal funds rate less 50 basis points.

Average Adjusted rate (not less than 0), Month of March	0%
Interest earnings, quarter	\$0
Interest earnings, fiscal year to date	\$0

Short-term investments are invested in the Florida PRIME investment pool administered by the State Board of Administration. Investments in the Florida PRIME investment pool are reported at fair value, which is amortized cost.

Participant Yield, at March 31, 2015	0.18%
Interest earnings, quarter	\$7,439
Interest earnings, fiscal year to date	\$20,856

Investments in the Local Government Surplus Trust Funds Investment Pool, Fund B, administered by the State Board of Administration (SBA), have been recorded at estimated fair value each month based on the monthly reported Fair Value Factor and the College's pro rata share of the investment pool. As of September 26, 2014, sales have been completed of all the collateral assets of the pool. Pursuant to Florida Law, all funds remaining after the original principal has been returned to participants, must be transferred back to Florida PRIME. Currently, no fair value increase in the investments has been provided to participants, only principal returned. Therefore, the loss realized includes the reversal of the fair value reserve and corresponding loss (moves the asset back to the principal value). Should there be any further distribution of earnings this will occur in the Florida PRIME account at a later date.

Fair Value Factor, at March 31, 2015	0%
Realized loss, quarter	\$0
Realized loss, fiscal year to date	\$(35,917)

Credit and Postsecondary Adult Vocational Lab Fee Schedule for 2015-2016

301.122, 14-15

The attached credit and postsecondary adult vocational lab fee schedule is to be effective for the 2015-2016 academic year, beginning fall term 2015.

Methodology for Requesting and Assessing Laboratory Fees

Florida Statutes 1009.22 (9) *Workforce development postsecondary* student fees and 1009.23 (12) Community college student fees allow the assessment of user fees. State Board Rule 64A-14.054 (6) provides that each board of trustees may establish user fees in addition to tuition fees for services that incur unusual costs. Such user fees shall not exceed the cost of the goods or services provided and shall only be charged to students or agencies receiving those goods or services.

These fees shall not exceed the cost of the services provided and shall only be charged to persons receiving the service, or persons for whom the services were designed. At Santa Fe, laboratory fees are assessed to students who are enrolled in classes that, because of their nature, require special funding not provided by regular tuition. Examples of items that would fall within the college's definition of "unusual costs" include but are not limited to the following:

- Specialized instructional software
- Specialized instructional equipment
- Equipment and software maintenance agreements
- Learning Management System costs
- Substantial photocopying
- Tutors, student assistants, and lab assistants
- Pass-through costs from third parties
- Instructional videos or tapes
- Instructor certification programs and required continuing education
- Liability insurance
- Hazardous materials-related charges
- Differential faculty pay when market adjustment is necessary

Fees are reviewed in academic departments on a rolling three year cycle with exceptions being made for fees associated with new courses or with substantial curriculum changes in existing courses. The college review cycle by academic department is as follows:

YEAR 1 (2014/2015)	YEAR 2 (2015/2016)	YEAR 3 (2016/2017)
Academic Foundations	English	Social & Behavioral Sciences
Information Technology Education	Institute of Public Safety	Business Programs
Mathematics	Natural Sciences	Sciences for Health Programs
Nursing Programs	Cardiovascular Technology & Sonography	Radiologic Programs
Humanities & Foreign Languages	Visual & Performing Arts	Library
Respiratory Care & Surgical Technology	Dental Programs	Construction & Technical Programs
Student Development		EPI
Emerging Technologies		Education/Child Development

Fee requests or changes are initiated by the department's chair or director, and submitted on the attached form to the Office of the Provost and Vice President for Academic Affairs for review **at least 45 days** in advance of the college's June District Board of Trustees' meeting. If approved by the Provost, the lab fee form is forwarded to the Coordinator for Curriculum and Scheduling. The coordinator compiles the complete list of fees for the upcoming academic year and submits the list to the District Board of Trustees at the June meeting for approval. All new and changed fees become effective with the fall term.

Summer Flex Schedule Proposal

400.616, 14-15

A proposal for optional flex scheduling from June 1 through August 7, 2015, is recommended. The week of June 29 through July 3, 2015, is excluded from the summer flex schedule due to July 3rd holiday. The proposal has been reviewed and endorsed by the president's expanded Cabinet, pending board approval, with the following caveats:

- A. It applies only to 12-month employees.
- B. It is based on four ten-hour work days.
 - Suggested work plan options:
Monday – Friday 7:30am to 6:00pm
With any day (Monday, Tuesday, Wednesday, Thursday, or Friday) off per week
 - Monday – Friday 7:00am to 5:30pm
With any day (Monday, Tuesday, Wednesday, Thursday, or Friday) off per week
- C. Any combination of days and time that equal 40 hours, as approved by the appropriate department head and Human Resources, is acceptable.
- D. Supervisors may require employees to return to the regular workweek if option is not serving students and the college in a favorable manner.

Board Action Requested:

Approval

Discussion: President Sasser noted that Career Service Council and employees support the summer flex schedule that will be offered June 1 through August 7. Trustee Mallini asked how many employees participate in the summer flex schedule option. Ms. Lela Frye, Director for Human Resources, replied less than 10 percent, because flex schedules are not conducive for all departments. Regarding item 7.2, the president explained that the international travel to Abu Dhabi, United Arab Emirates, was a great opportunity for the college to explore the possibility of providing law enforcement and corrections training for public safety personnel in the Emirates. Dr. Bonahue and Mr. Tom Ackerman, Director for the Institute of Public Safety, will be making the trip at the end of May with all expenses paid by UAE.

Action: Motion to approve items 7.1 through 7.2: Mallini
Second: Fletcher
Vote: Fletcher - yes, Hudson - yes, Lee - yes, Mallini- yes,
McRae - yes, Woody - yes.

College Goal: Educational Programs - Provide learning opportunities and academic support to ensure the highest levels of academic performance.

International Travel

101.106, 14-15

The College is committed to international and intercultural education and globalization efforts. International education is an integral component of the College's mission, and the College seeks to create an environment where teaching and learning are augmented and enhanced by international study for faculty and by student-centered educational opportunities that prepare students for successful participation in the global community. International travel is just one of the ways in which the College's mission for international education is accomplished.

All international travel is subject to the rules and requirements stated in existing rules, regulations, and guidelines. As the College is now increasing its international travel, it has been determined that it would be a best practice for the board to have final approval of all recommended international travel, regardless of funding source or destination.

The College requests permission to allow full-time faculty to participate in the international travel opportunities described below. No travel warnings have been issued by the U.S. State Department for any of these destinations. Each party requesting travel has presented a detailed itinerary detailing proposed transportation and accommodations, and these plans are reviewed to minimize any concerns related to safety and security. Additionally, the Assistant Vice President for Academic Affairs consults with each traveler, reviewing their academic and professional development plans, as well as any logistics that require forethought.

The College is seeking permission to allow the following individuals to participate in international travel opportunities in the coming months:

Dr. Clay Smith travel to Indonesia, June 12-24, 2015*

Dr. Clay Smith, a full-time professor in the English Department, will travel to Jakarta as part of a faculty exchange program with Atma Jaya Catholic University. He will provide guest lectures, contribute to classroom discussions, and help deepen the collaboration between Santa Fe and Atma Jaya. In addition, Dr. Smith will travel to Jogjakarta, the center of classical Javanese art, and explore the possibility of establishing a future study abroad program to both Jakarta and Jogjakarta. All transportation in Indonesia will take place by plane, taxi, and chartered driver. No travel alert or warning has been issued for Indonesia. This travel will be funded with matching funds from Atma Jaya and the International Education Office.

Dr. Ed Bonahue and Mr. Tom Ackerman, travel to Abu Dhabi, United Arab Emirates, May 28-June 5, 2015

Santa Fe College has been approached by representatives of Real Time Training and Development Center, a company in Abu Dhabi with personnel both in the USA and the UAE, about the possibility of providing a significant law enforcement and corrections training operation for public safety personnel in the Emirates. The company has extended an invitation to have College leadership visit Abu Dhabi to discussing a potential training partnership. President Sasser has designated Provost Ed Bonahue and Director of the Institute for Public Safety Tom Ackerman as the College personnel

responsible for collaborating with Real Time Training to explore this opportunity. All transportation in the UAE will be conducted by plane, taxi, and chartered driver. No U.S. State Department travel alert or warning has been issued for the UAE.

* These are tentative travel dates. Tickets have yet to be purchased, and the departure and arrival dates will be contingent on securing the best travel rates.

College Goal: Student Affairs - Provide research-based learner-centered program of services that supports access and student engagement from matriculation to goal attainment.

Amended Rule 7.3: College Admission and Readmission Procedures

410.501, 14-15

The previous College Rule 7.3 was written when students submitted paper applications. Proposed changes largely reflect advances in technology and allow 1) prospective students to submit the application for admission and readmission online and supporting documents in person, by fax or by email, 2) high school and college transcripts to be delivered electronically, by postal mail and/or in person in an official sealed envelope, and 3) online access to the Florida Residency Declaration, which must be submitted in the Admissions office by all new and transfer students seeking Florida residency for tuition purposes.

Additionally, the proposed changes require all potential students to submit an official high school transcript, GED, or home school affidavit for admission. Potential students who have graduated from a high school outside of the U.S. may be required to provide a translation and/or evaluation of high schools credentials from a licensed certified translation/evaluation service to the Office of Admissions. Potential students who have taken college courses outside of the United States must have an official certified evaluation of their credits completed and must submit this evaluation to the Office of the Registrar.

Aspen Institute Award Agreement

408.2183, 14-15

The attached Award Agreement with The Aspen Institute sets forth the terms of the \$800,000 award to the College as the winner of the 2015 Aspen Prize for Community College Excellence. In return for the monetary award, the College will provide two reports on the impact and use of the prize and will accommodate The Aspen Institute's requests for site visits and consultations to learn about the College's work. The Aspen Institute's award is part of its program to identify and replicate practices and policies that substantially improve the way community colleges deliver education.

Proposal for Disbursement of the Aspen Prize Funds

The College must use the Aspen Prize funds for educational or charitable purposes; therefore, College staff, with the support of the President, have developed the following principles and recommendation for all future expenditures of Aspen Prize funds.

Principles for Disbursement of the Aspen Prize Money

- The Aspen Prize money should fund projects in support of the student outcomes for which the prize was awarded.
- The prize was awarded based on outstanding college results related directly to students' work. The prize money should therefore fund projects that benefit students directly.
- For many years, students, faculty, and staff have focused their efforts on the outcomes for which the prize was awarded, and will continue to do so in the years ahead. As such, the prize money should benefit Santa Fe students for years to come.

Recommendation for Disbursement of the Aspen Prize Money

We recommend establishment of an endowment based on donation of the \$800,000 to the Santa Fe College Foundation. In keeping with the principles of the Aspen Institute's College Excellence Program as well as those described above, proceeds from the endowment will support significant projects in the college annually to improve

- student learning
- certificate and degree completion
- employment and earnings
- access and success for minority and low-income students, or
- a combination of these important student outcomes.

Board Action Requested:

- (1) Approval of Aspen Institute Award agreement and**
- (2) Approval of Proposal for Disbursement of the Aspen Prize Funds, including establishment of an endowment**

Affiliation Agreement with BayCare Health System, Inc.

408.2184, 14-15

BayCare Health System, Inc., a Florida not-for-profit corporation, operates medical facilities throughout the western coast of Florida. The College has had agreements with BayCare for many years for Cardiovascular Technology (CVT) students to receive clinical training at BayCare facilities. This new agreement is updated and allows for clinical training opportunities for students in Medical Imaging (CVT, Computed Tomography, Diagnostic Medical Sonography, Nuclear Medicine Technology, and Radiography). The agreement has a term of three years, unless terminated sooner as provided in Article II (2.2), and may be renewed upon mutual written agreement of the parties.

College Goal: Educational Programs - Provide learning opportunities and academic support to ensure the highest levels of academic performance

College Affiliation Agreement with Florida Hospital Waterman

408.2185, 14-15

Florida Hospital Waterman is an Adventist Health System facility in Lake County, Florida. This agreement will allow students in the Clinical Laboratory Science (CLS) program to participate in clinical training at the facility. This is a new agreement that will be in effect for two (2) years with automatic annual renewal thereafter, unless terminated as provided in the agreement. Dr. Mojock, president of Lake-Sumter Community College, provided a letter granting permission for Santa Fe College students to train in Lake County.

Associated Health Education Affiliation Agreements with the Department of Veterans Affairs for Clinical Laboratory Sciences Program and Physical Therapist Assistant Program 408.2186, 14-15
408.2187, 14-15

The College has been placing health sciences students in rotations at the Malcom Randall Veterans Affairs Medical Center and the Lake City Veterans Affairs Medical Center (collectively, VA) for many years. These two agreements are for students in the Clinical Laboratory Science and Physical Therapist Assistant rotations. The documents are standard forms used at VA facilities. The first document establishes the terms of the affiliation between the College and VA for the specific program. In the second document, the College acknowledges that it will handle “protected health information” in accordance with the Health Insurance Portability and Accountability Act (HIPAA). The agreement remains in force until further notice, and either party may terminate the agreement 6 months in advance of the next training experience.

Memorandum of Understanding with Alachua Habitat for Humanity

408.2188, 14-15

Santa Fe College has continued to enjoy a long and productive partnership with Habitat for Humanity. The proposed MOU will provide reimbursement for the fifth Habitat house that Santa Fe students enrolled in the Building Construction and Apprenticeship programs assisted in building. The project continues to provide hands-on training opportunities for students while also advancing the College's role in providing an affordable home for area residents. Under this MOU, Habitat will reimburse Santa Fe for the costs of construction, pay for transporting the completed structure to the home site, and assume all subsequent responsibility for costs and completion.

Rental Agreement with Opera North

408.2189, 14-15

The attached rental agreement is for the College to rent props and equipment from its *West Side Story* production to the Opera North organization in Lebanon, New Hampshire. Evans Haile is Interim Assistant Professor at the College, but he has completed his duties to the College under his existing contract, and he will not be returning for the next academic year. At this time, he has become General Director of Opera North, which is a prestigious, 35-year-old, professional opera company.

After Mr. Haile completed his duties to the College, he requested a rental agreement on behalf of Opera North for its summer production of *West Side Story*. College staff have confirmed that the price and terms of the rental agreement are consistent with similar agreements in the theater industry, with no special benefit to either the College or Opera North.

The opportunity to rent props and equipment reflects the high quality of the College's set design and construction. Opera North will pay a rental fee and will handle all transportation costs and liabilities. The items will be returned to the College by September 15, 2015.

The World of Wild Florida Birds: A Walk-Through Aviary at Santa Fe Teaching Zoo – Alachua County Tourism Development Council Grant 409.2038, 14-15

The purpose of this project is to develop a new, heightened experience for visitors in the form of a large outdoor aviary that visitors can walk through to become a part of Florida's natural flora and winged fauna. The aviary, which will encompass about 3,000 square feet, will flow around two sides of the existing outdoor pavilion with a fine mesh enclosure featuring ponds for wading birds and native trees and foliage for perching and nesting birds.

The Zoo works with rehabilitators, the University of Florida Veterinary School, other members of the Association of Zoos and Aquariums (AZA) and the U.S. Department of Agriculture (USDA) in order to locate birds which are non-releasable. The Zoo will not capture or hold native birds which could survive in the wild.

The amount of funds requested from the Alachua County Board of County Commissioners and the Alachua County Tourist Development Council is \$314,000, with no matching funds from Santa Fe College.

Duration of this project is October 1, 2015, through April 30, 2017.

Operating budget impact: None.

Board Action Requested:

Approval of grant. Upon legal review and approval, the president or his designee, Charles W. Clemons, Sr., Vice President for Development, is authorized to execute any agreements and related documents associated with this grant.

Johnson Foundation – AARP Back to Work 50+ WESI Grant

409.2039, 14-15

The purpose of this grant is to help meet the required cash match for our newly funded AARP BACK TO WORK 50+: Women's Economic Security Initiative (WESI) Grant. These funds will support scholarships and educational supplies for the WESI participants. This grant will provide pathways to employment and self-sufficiency for women ages 50-64 through training in high demand jobs.

The amount of funds requested from the Johnson Foundation is \$15,000, with no matching funds from Santa Fe College.

Duration of this project is March 27, 2015, through March 26, 2016.

Operating budget impact: None

Latino Americans: 500 Years of History Grant

409.2040, 14-15

The purpose of this project is to support exploration of the rich and varied history and experiences of Latinos, who have helped shape the United States over the last five centuries and who have become, with more than 50 million people, the country's largest minority group. The SF Lawrence W. Tyree Library will sponsor scholar-led, public viewings of four episodes in the NEH-funded PBS documentary series *Latino Americans*. These documentary films, accompanying lectures, and discussions will help members of our community understand the culture, history, contributions, and challenges of the growing Latino population in North Central Florida.

The amount of funds requested from the National Endowment for the Humanities (NEH) and the American Library Association (ALA) is \$10,000, with no matching funds from Santa Fe College.

Duration of this project is July 1, 2015, through June 30, 2016.

Operating budget impact: None

Santa Fe College Foundation Liaison Update and Board Members' Remarks

Reporting for the Santa Fe College Foundation, Trustee Mallini stated that on June 18-19 in the Fine Arts Hall the play "Invasion of Privacy," written by Larry Parr and based on the life of Marjorie Kinnan Rawlings, will be shown. Tickets for the play are on sale now, which is directed by Judith Chapman. The Foundation summer spectacular event "Cuba Libre" is June 26-27 at the Fine Arts Hall. Tickets are \$100 per person and there will be music, food and an art exhibit consisting of prints that were purchased in Cuba during the college visit in May this year. On September 1 at the Charley Johns Conference Center in Starke, Florida, Dr. Sasser will give the State of the College Address to the community and civic groups in Bradford County. Also, Mr. Edmond Brodie has donated his 25% ownership interest for property located in Haywood County, North Carolina. The current value of the donation is \$125,000 and proceeds from the sale of the property will be used to fund the SF Athletic Field house for the baseball and softball teams.
