Robert L. Woody

Members absent: None

---

Chair Caridad E. Lee called the regular meeting of the District Board of Trustees of Santa Fe College to order at 4:00 p.m., in the James L. Wattenbarger Student Services Building, in Gainesville, Florida, followed by the Pledge of Allegiance.

Action was taken on the agenda items as indicated on the summary sheets.

President Sasser asked Dr. Naima Brown, Vice President for Student Affairs, to provide an enrollment update. Dr. Brown reported 8,928 students are enrolled for summer 2017, with full-time enrollment down by 1.4% and headcount down by 1.7%. She added that for the fall term there are 7,632 students currently registered, with admissions applications up 6.9%, and we expect to end fall with well over 16,000 students. The new fall campaign includes offering Saturday classes at the Blount Center as well as offering a full first year schedule of core classes for students who attend the Blount Center. This would allow students to complete their degrees faster through a combination of weekend and online classes. There are 138 "Finish at the Top" students registered for summer and 144 already registered for fall classes.

The meeting adjourned at 4:40 p.m.

President's Report

Information Item

---

The president will discuss a variety of information topics.

Calendar

July 18, 2017  
4 p.m.                      Regular Board Meeting  
                                    Watson Center

August 18, 2017  
8:30 a.m.                    Convocation  
                                    Fine Arts Hall

Discussion: President Sasser recognized Mr. Art Grant, Presiding Officer of the Senate Executive Council; Mr. Isreal Okeowo, President of Student Government; and Ms. Lukisha King, Career Service Council Vice President. Dr. David Price, College Senate President, and Ms. Rebecca Rogers, President of AFC, were unable to attend.

The next board meeting is Tuesday, July 18 at 4 p.m. at the Watson Center in Keystone Heights and Convocation is Friday, August 18 at 8:30 a.m. in the Fine Arts Hall.

Dr. Sasser asked Mr. Matt Stamey, Multimedia Specialist in the Communications & Creative Services Department, to make a special presentation today. Mr. Stamey said that he is a member of the University Photographers Association of America (UPAA) and every year the association awards a Board Appreciation plaque to an individual who has shown exceptional support for the profession in service to higher education. He nominated Mr. Chuck Clemons and Mr. Clemons was chosen. Mr. Clemons thanked Mr. Stamey and also took the opportunity to say how much the college has benefited from having Matt as an employee.

---

Strategic Planning

Information Item  
419.48, 16-17

---

Dr. Lisa Armour, Vice President for Assessment, Research, and Technology, will discuss the strategic plan.

Discussion: Dr. Lisa Armour gave an update on the college's grant application for the Frontier Set Grant. The grant will focus on the Learning Commons, which will provide one-stop support for basic gateway courses. Under this model, learning support will be inevitable, instead of a choice, and will therefore be most beneficial to our students that are the most in need. The grant application has been completed, and the college hopes that this project will move forward in the fall.

---

Organization of the Board for 2017-2018

Information Item  
416.147, 16-17

---

To be presented at the meeting.

Discussion: Chair Lee asked Trustee Mallini to serve as the nominating committee for the 2017-18 board organization. The committee will recommend a chair and vice chair at the July board meeting and at that time the board will vote on the organization of the board. Trustee Mallini agreed to serve in this capacity.

Extension to Agreement with Orlando Health, Inc.

Information Item  
408.2318, 16-17

---

An extension to the 2015 agreement with Orlando Health, Inc. will allow students in the Associate of Science in Cardiovascular Technology and Biomedical Engineering Technology Programs to participate in clinical training at this general acute care facility. The main agreement delegates authority to the Provost to sign, and this authority was exercised. The extension provides for two (2) additional years and may be canceled by either party with ninety (90) days written notice. Any cancellation is effective at the end of a current academic semester.

***College Goal: Outreach and Access - Identify, assess, and meet community needs to promote open access to the college.***

Citizen's Requests

423.55 16-17

---

Subject to exceptions set forth in Florida law, members of the public shall be permitted to be heard on a proposition pending before the board during this agenda item prior to the board taking action on the proposition. An individual wishing to be heard shall complete the Citizen's Request form maintained by the board secretary (College President) at least 15 minutes in advance of the meeting and shall be allotted up to three minutes to address any issues, whether the issue is on the board agenda or not; the board chair may allow limited extended time at the chair's discretion. If a group consisting of more than five individuals wishes to be heard on a subject, the group must designate a representative to speak on its behalf.

Discussion: Chair Lee asked if there were any requests from citizens, and in hearing none, the chair moved to the next board item.

Student Support Services Grant

409.2150, 16-17

---

The purpose of this project is to provide supplementary support services to low-income, first-generation, or disabled college students in order to increase student success as measured by retention, graduation, and transfer rates. Individual counseling, tutoring, and other extensive work in the basic academic subjects (mathematics, sciences, reading, and writing) will be the substance of the program. An additional part of the program includes a 2-year/4-year initiative section, the purpose of which is to assist Santa Fe College project students in securing admission to and financial assistance for enrollment in four-year institutions of higher education. This is year three of a five-year project. This project will serve approximately 206 students per year.

The amount of funds requested from the U.S. Department of Education, Office of Postsecondary Education, for the third year is \$281,511. Total funding for the five-year project will be approximately \$1.4 million.

Duration of this project is September 1, 2017, through August 31, 2018.

Operating budget impact: None

### **Board Action Requested**

Carl D. Perkins Career and Technical Education (CTE)  
Postsecondary Programs, Section 132 Grant

409.2151, 16-17

---

The purpose of this project is to fully develop the academic and career and technical skills of postsecondary education students who elect to enroll in career and technical education programs. This project provides assistance for student attainment of challenging state established technical skills proficiencies and attainment of an industry-recognized credential, postsecondary degree or certificate. Retention in or transfer to another two or four-year postsecondary institution, along with placement in postsecondary education, employment and/or military service will be emphasized. Another focus involves enrollment in and completion of CTE programs that lead to employment in nontraditional fields. Other special populations will also be served. The use of technology and contextual, integrated curriculum will be expanded. Connections between secondary and postsecondary education systems will be expanded. Business and industry partnerships will be incorporated. Approximately 4,000 will benefit from this program.

The amount of funds requested from the State of Florida, Department of Education, Division of Career and Adult Education is \$577,712, with no matching funds from Santa Fe College.

Duration of this project is July 1, 2017, through June 30, 2018.

Carl D. Perkins Postsecondary Rural and Sparsely Populated  
Grant

409.2152, 16-17

---

The purpose of this project is to develop more fully the career and technical skills of postsecondary rural students who elect to enroll in high-wage, high-skill, and/or high-demand occupations at the Santa Fe College Andrews Center and the Bradford-Union Technical Center in Bradford County with an emphasis on Information Technology or STEM Career Clusters. Funding for in-district and out-of-district travel will be included for postsecondary career and technical professional training in STEM and coordination of articulation and curriculum alignment. Recruitment and public awareness services will be available for career and technical education programs at the Bradford Union Technical Center (BUTC). Educational materials including science models, lab equipment, and supplies will be purchased for instructional and student use. Minor Technology Equipment will expand Information Technology and STEM-related learning experiences to CTE students and will help improve the record keeping and reporting needs for CTE instructors and staff. Funding for Inventoried Capital Outlay will be used to improve and expand the use of technology and strengthen the technical skills of postsecondary career and technical students in the nursing programs. Approximately 300 students will benefit from this program.

The amount of funds requested from the State of Florida, Department of Education, Division of Career and Adult Education is \$17,725 with no matching funds from Santa Fe College.

Duration of this project is July 1, 2017, through June 30, 2018.

Community College Administrator Program (CCAP) Grant –  
Pakistan Delegation

409.2154, 16-17

---

The purpose of this project is to implement a six-week study program in the United States for 16 officials with higher education planning responsibilities and administrators from postsecondary vocational and technical institutions. The six-week program is designed to familiarize college administrators from Pakistan with the structure and functions of the U.S. community college model as well as best practices in how these higher education institutions are administered. The program will consist of an initial one-week program focused on approaches of the U.S. community college sector and educational development issues, followed by a structured five-week program including topics such as: administration, governance, finance, student affairs and student services, program assessment, leadership technology, workforce development, community engagement, private sector partnership, and distance learning. This is the second of six delegations for this grant.

This project is a partnership between the Florida State University as fiscal agent and Santa Fe College as a subrecipient.

The amount of funds requested from the Department of State through the Bureau of Educational and Cultural Affairs (ECA) is \$53,719, with no matching funds from Santa Fe College.

Duration of this project is September 1, 2017, through December 30, 2018.

Colonel Harry M. Hatcher, Jr., Property Survey 17-09

200.904, 16-17

---

Below and on the attached pages are requests from the various custodians to remove property from their inventory for the reasons indicated. The college has a Property Survey Committee composed of representatives from around the college who review the departmental requests before they are presented to the board for approval.

The Property Survey Committee met on May 30, 2017, to consider departmental requests to be relieved from inventory accountability. The committee members approved the following requests to remove the items listed below from the active property control inventory records. A detailed list of all items from each category is attached.

<b>Category</b>	<b>Number of Items</b>	<b>Original Cost or Value Items &gt; \$5,000 to be Removed from Inventory and Financial Records</b>	<b>Depreciation of Items &gt; \$5,000</b>	<b>Total Book Value Items to be Removed from Inventory and Financial Records</b>
Missing	1	\$ 5,060.00	\$ 5,060.00	\$0.00
Surplus Property	3	38,667.24	38,667.24	\$0.00
Trade-In	1	7,468.00	7,468.00	\$0.00
<b>TOTAL</b>	<b><u>5</u></b>	<b><u>\$51,195.24</u></b>	<b><u>\$51,195.24</u></b>	<b><u>\$0.00</u></b>

### **Notes**

Missing Property are items that were not found during the inventory process. They have been investigated by the SF Police Department and have not been located.

Surplus Property is generally offered to Alachua and Bradford counties schools first. If the counties are not interested in these items, they will be offered to other non-profit organizations that have requested them. Items that are not requested will then be sold at a surplus auction.

Trade-Ins are items that have been traded in on new equipment.

2017-2018 Salary Schedule

405.121, 16-17

---

The proposed 2017-2018 salary schedule is submitted for review and approval by the board. The Santa Fe College salary schedule is established annually. The President recommends this schedule to the District Board of Trustees at the June board meeting, and, once adopted, it becomes the sole instrument used in determining employee compensation.

**Board Action Requested**

**Approval**

Discussion: For Agenda Item 5.1, Ms. Patti Locascio, General Counsel, explained that during the board workshop, the proposed Salary Schedule was reviewed in detail. She noted that the 2017-2018 Salary Schedule presented at the workshop contained the following typographical errors under the IT salary range matrix and requested that the board approve the Salary Schedule with the following changes: on page 48 under B. Core, the ending salary range under master should be \$69,756, under A. Basic - Developmental, the ending salary range should be \$36,804, and under A. Basic - Proficient, the beginning number should be \$36,805. For Agenda Item 5.2, Ms. Locascio stated that after Vice President Clemons was elected to serve as a Representative in the Florida House of Representatives, he requested that the amount he receives as compensation from the Board be reduced by the amount of compensation that he will receive from the state of Florida for his work as a legislator. Accordingly, the proposed contract amendment reflects this request with the intent to retain all other contractual terms and conditions including benefits.

Educational Plant Survey

412.1151, 16-17

---

The Educational Plant Survey is a systematic study of existing educational plants and the determination of future needs for the purpose of providing an appropriate educational program and service for each student. The reason for a survey is to formulate plans for housing educational programs, student population, faculty administrators, staff, and auxiliary and ancillary services of the college. The objective of a comprehensive fixed capital outlay plan is to propose a facilities project program for the college for a period of five years.

The survey includes a reconciliation of all physical space owned or leased by the college. The process for determining space needs uses student enrollment projections, space needs generation formulas, space utilization formulas, educational program information, and size of space and occupant design criteria. Full-time equivalent (FTE) student enrollment, academic program offerings, academic and institutional support are all important measures in calculating the space needs formula. The results of the formula identify unmet space needs and become the focus of survey recommendations. Survey recommendations can include site acquisition, site improvements, renovation, remodeling, and new construction. The survey must support the Capital Improvement Plan (CIP) and Project Priority List (PPL) that are required for requesting state funding.

At least every five years, each college board of trustees is responsible for arranging an Educational Plant Survey for its college based on sections 1013.03(10)(a)2 and 1013.31(1)(c), Florida Statutes and sections 3.1, 6.1(b)(d), 6.2, 6.3, 6.4, and 6.5 State Requirements for Educational Facilities (SREF). After review and approval of the report by the board, it is submitted to the Office of Educational Facilities, Department of Education. The survey provides the recommendations for fixed capital outlay funds provided by the state.

Approval of College's Annual Capital Legislative Budget Request -  
Capital Improvement Plan (CIP)

412.1152, 16-17

---

Each year every college in the Florida College System is required to complete a capital Legislative Budget Request which consists of four parts:

1. A five year Capital Improvement Plan (CIP) identifying the need for construction of new educational facilities, as well as major additions, renovations, or repairs necessary to extend the useful life of buildings
2. State funds for operating costs for new facilities
3. Requests authorizing non-state funded projects to request state operating funds
4. College requests for reappropriation of state funds that need Legislative approval on an individual basis.

Projects included in the CIP must be based on the institutions most recent Educational Plant Survey. The Capital Improvement Plans are reviewed by the Division of Florida College's staff and recommendations are made to fund specific projects within the limits of available funds earmarked for public educational facilities.

Attached is the Capital Improvement Plan (CIP-2 Summary) for Santa Fe based on the 2017 Educational Plant Survey. This plan will serve as the legislative funding request for 2018-2019 Public Education Capital Outlay (PECO) funds that covers proposed renovation, remodeling and new construction for the next five years. Since this is an annual report, modifications can be made to the rolling five year plan each year. It is requested that the board approve the state funded projects included in the CIP Summary without further review by the board and any Requests for Operating Cost of New Facilities.

**Board Action Requested**

**Approval of the state funded projects identified in the CIP-2 Summary to be included in Santa Fe's Florida College System Capital Improvement Plan**

**Approval of the Request for Operating Costs of New Facilities**

**Approval for the President to certify the completed 2018-19 Legislative Budget Request forms without further review by the board**

User Fines and Fees Schedule

200.907, 16-17

---

Florida Statutes Sections 1009.22 (9) *Workforce development postsecondary student fees* and 1009.23 (12) *Community college student fees* allow the assessment of user fees and fines. These fees shall not exceed the cost of the services provided and shall only be charged to persons receiving the service. At Santa Fe College, user fees and fines are assessed to students or the community members who engage in the services that, because of their nature, require special funding not provided by regular tuition.

Attached is the 2017-2018 schedule of all the user fees and fines charged by college with proposed changes identified per service. There have been no increases to any fees assessed in this schedule.

Credit and Postsecondary Adult Vocational Lab Fee Schedule for 2017-2018

200.908, 16-17

---

The attached credit and postsecondary adult vocational lab fee schedule is to be effective for the 2017-2018 academic year, beginning fall term 2017.

**Methodology for Requesting and Assessing Laboratory Fees**

Florida Statutes Sections 1009.22 (9) *Workforce development postsecondary student fees* and 1009.23 (12) *Community college student fees* allow the assessment of user fees. These fees shall not exceed the cost of the services provided and shall only be charged to persons receiving the service. At Santa Fe College, laboratory fees are assessed to students who are enrolled in classes that, because of their nature, require special funding not provided by regular tuition. Examples of items that would fall within the college's definition of "unusual costs" include but are not limited to the following:

- Specialized instructional software
- Specialized instructional equipment
- Equipment and software maintenance agreements
- Substantial photocopying
- Tutors, student assistants, and lab assistants
- Pass-through costs from third parties
- Instructional videos or tapes
- Instructor certification programs and required continuing education
- Liability insurance
- Hazardous materials-related charges
- Differential faculty pay when market adjustment is necessary

Fees are reviewed in academic departments on a rolling three year cycle with exceptions being made for fees associated with new courses or with substantial curriculum changes in existing courses. The college review cycle by academic department is as follows:

<b>YEAR 1 (2017/2018)</b>	<b>YEAR 2 (2018/2019)</b>	<b>YEAR 3 (2019/2020)</b>
Academic Foundations	English	Social & Behavioral Sciences
Information Technology Education	Institute of Public Safety	Business Programs
Mathematics	Natural Sciences	Sciences for Health Programs
Nursing Programs	Cardiovascular Technology & Sonography	Radiologic Programs
Humanities & Foreign Languages	Visual & Performing Arts	Library
Respiratory Care & Surgical Technology	Dental Programs	Construction & Technical Programs

<b>YEAR 1 (2017/2018)</b>	<b>YEAR 2 (2018/2019)</b>	<b>YEAR 3 (2019/2020)</b>
Student Development		EPI
Emerging Technologies		Education/Child Development

Fee requests or changes are initiated by the department's chair or director and submitted to the Office of the Provost and Vice President for Academic Affairs for review **at least 45 days** in advance of the college's June Board of Trustees' meeting. If approved by the provost, the lab fee form is forwarded to the Coordinator for Curriculum and Scheduling. The coordinator compiles the complete list of fees for the upcoming academic year and submits the list to the board at the June meeting for approval. All new and changed fees become effective with the fall term.

Accordingly, the college has followed its methodology and for 2017-2018 Lab Fee Schedule proposes only fee decreases.

**Board Action Requested**

**Approval of 2017-2018 Lab Fee Schedule**

Action:     Approved. See item 6.1 (412.1151).

International Travel

101.129, 16-17

---

The college is committed to international and intercultural education and globalization efforts. International education is an integral component of the college's mission, and the college seeks to create an environment where teaching and learning is augmented and enhanced by international study for faculty and by student-centered educational opportunities that prepare students for successful participation in the global community. International travel is just one of the ways in which the college's mission for international education is accomplished.

All international travel is subject to the rules and requirements stated in the existing rules, regulations, and guidelines. As the college is now increasing its international travel it has been determined that it would be a best practice for the board to have final approval of all recommended international travel, regardless of funding source or destination.

The college is seeking permission to allow the following to participate in international travel opportunities in the coming months:

**Florida College Risk Management Consortium (FCSRMC) Executive Director, Mr. Chauncey Fagler, Travel to London, June 2017**

The purpose of the travel is to attend the London RIMS Risk Management Academy at Lloyd's seminar. Mr. Fagler is one of the 25 Risk Management Executives invited to this invitation only event. There are no registration costs associated with this seminar. This travel was approved at the May 19, 2017 FCSRMC Operations Committee meeting.

**Dr. Alejandra Maruniak travel to Brazil, July 14-August 16, 2017 \***

Dr. Alejandra Maruniak, Professor of Biotechnology at the Perry Center for Emerging Technologies, will be travelling to the Universidade Estadual Paulista "Julio de Mesquita Filho" (UNESP) campuses in Araraquara, Assis, Botucatu, and Sao Paulo, Brazil in order to help set-up an international internship program for Santa Fe Biotechnology students. No travel alert or warning has been issued for Brazil. All travel in Brazil will occur through chartered bus or in the company of UNESP staff. This international travel will be funded by the U.S. Department of State via a Capacity Building Grant that Santa Fe College was awarded in May 2017. Dr. Maruniak is the grant project director.

**Florida College Risk Management Consortium (FCSRMC) Executive Director, Mr. Chauncey Fagler and one other Consortium Board Member, Travel to London, December 2017**

The purpose of the travel is to meet with the Lloyd's of London and various other London insurance markets to secure property coverage for the Consortium 27 member colleges. The 27 colleges represent \$8 billion in property, over 175 campuses, excess of 2400 buildings/contents including vehicles and watercraft.

This is the fifth year that the Executive Director and a Consortium board member have been approved by the Consortium board to make this trip. The Consortium board recognizes that this helps ensure proper coverage is solicited, at competitive rates for the colleges. Meetings with London insurance

markets are tentatively scheduled to occur during December 2017. This travel request was approved at the May 19, 2017 FCSRMC Operations Committee meeting.

\* These are tentative travel dates. Tickets have yet to be purchased, and the departure and arrival dates will be contingent on securing the best travel rates.

Amended Rule 5.12: Smoking and Tobacco Use

410.537, 16-17

---

The proposed changes to Rule 5.12 would eliminate designated smoking areas on college premises, making Santa Fe College completely tobacco free. All shared governance groups have provided feedback and support for this initiative. This change will help the college remain consistent with other Florida colleges and universities across the State. Upon approval, the proposed changes will begin in the fall of 2017. For the first year, the primary goal will be to inform the college community of the policy changes as well as the resources available to them. Once the communications strategy is complete, violations of this policy may result in a referral to the Student Conduct Officer and employment supervisors for disciplinary or administrative actions.

#### **Approval**

Discussion: President Sasser said the proposed changes to Rule 5.12 would eliminate designated smoking areas on college premises, making Santa Fe College completely tobacco free. He added that all three shared governance groups provided feedback and support for this initiative. Also, the college is offering smoking cessation programs to all employees and students.

Amended Rule 7.11: Student Fees and Refunds

410.538, 16-17

---

The Florida Legislature did not approve any changes to the standard tuition rate for both lower and upper division credit courses (Advanced and Professional, Postsecondary Vocational, Developmental Education, and Educator Preparatory), and non-credit courses (Postsecondary Adult Vocational) offered by the college at this time. The college does not assess the current maximum tuition and discretionary fee rates.

The college is recommending a decrease in the Non-Florida Resident Tuition and associated discretionary fees as presented for approval in the amendment to Rule 7.11. The change to fees will be effective with the beginning of fall term registration.

Third Amendment to Agreement for Temporary Employment  
Services with Temp Force, LLC

408.2322, 16-17

---

The college entered into an agreement for temporary employment services with Temp Force, LLC, in May 2012. This agreement was first amended in conjunction with the Affordable Care Act in November 2014 and again in June 2016 to broaden the scope of services beyond college-owned locations. This third amendment renews the agreement for an additional five-year term, modifies the parameters surrounding the use of golf carts on campus by Temp Force talent, and addresses safety concerns and public records requirements.

State of Florida Statewide School Readiness Provider Contract

408.2323, 16-17

---

The Early Learning Coalition of Alachua County disseminates state money in the form of childcare subsidies to contracted providers for low income and working-poor families. The new statewide contract in front of you for your consideration is an agreement for the Santa Fe Little School to provide childcare services to children of qualified families, as determined by the Early Learning Coalition. The Early Learning Coalition will handle all eligibility determinations and paperwork with the families and then issue qualified families a voucher for childcare. Qualified families who choose to enroll at the Little School, on a space available basis, will be enrolled. At the end of each month, the Little School will provide attendance information for those children of qualified families and the Early Learning Coalition will pay the agreed upon daily rate for those children. Since the daily rate that the Early Learning Coalition will pay is less than we charge, we will charge the difference to those families. This is standard practice. We expect to have space to enroll up to 15 children through the Early Learning Coalition. A partnership like this with the Early Learning Coalition opens up many opportunities for our staff and our center. We will be included in trainings, workshops, and many other professional development options that are only available to contracted childcare providers. This agreement to provide services for children from financially needy families does not obligate any financial resources from Santa Fe College.

State of Florida Statewide Voluntary Prekindergarten Provider  
Contract

408.2324, 16-17

---

The Early Learning Coalition disseminates state money allocated for the Voluntary Prekindergarten (VPK) programs. This contract outlines the agreement between the Early Learning Coalition and the Santa Fe Little School to provide VPK services to eligible children (must be four years old by September 1st). The Early Learning Coalition will handle all eligibility determinations and paperwork with the families and then issue qualified families a Certificate of Eligibility for Voluntary Prekindergarten. Qualified families who choose to enroll at the Little School, on a space available basis, will be enrolled. At the end of each month, the Little School will provide attendance information for those children of enrolled families and the Early Learning Coalition will pay the agreed upon daily rate for those children. We will have space to enroll 20 children in the VPK program. This agreement to provide a Voluntary Prekindergarten educational program for qualified children does not obligate any financial resources from Santa Fe College.

Adult Education and Family Literacy – Integrated English Literacy  
and Civics Education Grant

409.2156, 16-17

---

The purpose of this project is to provide English literacy programs linked to civics education to help individuals of limited English proficiency achieve competence in the English language and achieve US Citizenship and/or register to vote if these are their goals. Additionally, this project focuses on assisting students in becoming knowledgeable of support agencies in the community and in becoming partners in their children's education. This project plans to serve approximately 150 students. This is year one of a three-year funding cycle.

The amount of funds requested from the State of Florida, Department of Education, Division of Career and Adult Education is \$34,777, with no matching funds from Santa Fe College.

Cultural Programs General Support Grant

409.2157, 16-17

---

The purpose of this project is to present a series of award winning cultural programs that offer a creative mix of visual arts, literature, music and dance. The premier event in this series is the annual SF Spring Arts Festival. Building on the vision of the Florida Division of Cultural Affairs, designed to have statewide impact, the program goals are the following: 1) to create vibrant accessible events to engage audiences and inspire participation in the arts; 2) to encourage emerging artists and grow audiences for the arts by creating high quality programs utilizing venues in Alachua and Bradford counties; 3) to present artists and writers relevant to Florida and Florida's citizens to create an appreciation of the arts and Florida's rich history; 4) to engage children and youths in the arts, thus fostering participation and appreciation in the arts by all of our citizens; and 5) to provide economic growth to Florida through strong arts events and economic success for Florida artists.

The amount of funds requested from the State of Florida, Division of Cultural Affairs, is \$33,262, with an in-kind match of \$311,660 from existing college budget which is required by the funding agency for this level of grant request.

Duration of this project is July 1, 2018, through June 30, 2019.

Operating budget impact: From existing college budget

Santa Fe College Foundation Liaison Update and Board Members' Remarks

---

Discussion: Reporting for the Santa Fe College Foundation, Trustee Mallini stated \$50,000 was received from Lenton and Lian Ping and that current assets for the Foundation are over \$50 million. The President's Gala is June 24 at 7 p.m. in the Fine Arts Hall. This year's theme is "Imagine", and features heavy hors d'oeuvres and a program. Also Santa Fe College is hosting the Hemingway Key West to Cuba Conference in the Fine Arts Hall July 20-22, 2017.

President Sasser asked Ms. Locascio to introduce her guests. Ms. Locascio stated that for over a year Mr. Jordan Hall served with excellence as her executive assistant and that this would be his last board meeting, as he was leaving in July to attend medical school at the University of Florida. She then introduced her new executive assistant, Ms. Deborah Ackerman, who previously worked at the Alachua County Public Library. The board thanked Jordan for his service and welcomed Deborah.
