Total SF Semester Hours = 60

The Insurance and Risk Management program at SFC prepares you for a career in the personal or commercial property and casualty insurance industry. The sample sequence should be followed closely by students; some adjustments may need to be made due to reduced summer offerings or other circumstances. Contact a Business Advisor via douglas.robertson@sfcollge.edu or catherine.lawton@sfcollge.edu.

*** It is strongly suggested that the student consider taking ACG2001 and ACG2011, Principles of Accounting I and II, rather than ACG2021.**

****Students must meet with the IDS2941 instructor prior to the beginning of the semester for guidance and approval of the internship; check with the Business Advisors for information regarding appointments.**

Santa Fe College is committed to an environment that embraces diversity, respects the rights of all individuals, is open and accessible, and is free of harassment and discrimination based on, but not limited to, ethnicity, race, creed, color, religion, age, disability, sex (including pregnancy, gender identity and sexual orientation), marital status, national origin, genetic information, political opinions or affiliations, and veteran status in all its programs, activities and employment.
