<b>Total Hours = 12</b>	<b>Total Hours = 12</b>	

**Total Semester Hours = 60**

The Associate in Science (A.S.) to Bachelors of Applied Science (B.A.S.) is for students who are certain they will complete a B.A.S. in Health Services Administration. The curriculum will prepare students to enter the upper division courses in the H.S.A. program. B.A.S. Health Services Administration graduates work in the administrative areas of the health care field. Positions are found in hospitals, clinics, insurance companies, pharmaceutical firms, and doctor's offices. H.S.A. professionals have little or no direct patient contact, but provide service "behind the scenes."

\*The student should consider taking ACG2001 and ACG2011, Principles of Accounting I and II, rather than ACG2021. Contact the H.S.M. Business Advisor via [douglas.robertson@sfcollege.edu](mailto:douglas.robertson@sfcollege.edu).

#### Commitment to Equal Access and Equal Opportunity

Santa Fe College is committed to an environment that embraces diversity, respects the rights of all individuals, is open and accessible, and is free of harassment and discrimination.
