Total Hours =12	Total Hours = 12	

Total Semester Hours = 60

The Associate of Science (AS) to Bachelors of Applied Science (BAS) is designed for students who are certain they will complete a BAS in Health Services Administration. The curriculum is intended to prepare students to enter the upper division courses in the HSA program. BAS Health Services Administration graduates work in the administrative areas of the health care field. Positions can be found in hospitals, clinics, insurance companies, pharmaceutical firms, and doctor's offices. HSA professionals have little or no direct patient contact, but provide service "behind the scenes."

*It is **strongly** suggested that the student consider taking ACG2001 and ACG2011, Principles of Accounting I and II, rather than ACG2021. Contact the HSM Business Advisor via douglas.robertson@sfcollge.edu.

Commitment to Equal Access and Equal Opportunity

Santa Fe College is committed to an environment that is free of harassment and discrimination based on, but not limited to, ethnicity, race, creed, color, religion, age, disability, sex (including pregnancy, gender identity and sexual orientation), marital status, national origin, political opinions or affiliations, veteran status, and genetic information. Inquiries regarding non-discrimination policies or concerns about discrimination or harassment should be directed to: Jasmine Gibbs, Equity Officer and Title IX Coordinator, 3000 NW 83rd Street, R-Annex, Room 113, Gainesville, Florida 32606, 352-395-5950, equity.officer@sfcollge.edu.
