Total SF Semester Hours = 60

The Bachelor of Applied Science in Organizational Management (O.M.) prepares individuals for management and supervisory positions in a variety of professions. The program provides a career and educational pathway for students who have earned an Associate of Science degree in a professional or technical discipline. This degree also provides an excellent opportunity for individuals who have already entered the workforce and are interested in acquiring business management, leadership, and supervisory skills. Students will be exposed to the theory and practice of business management including finance, economics, law, human resource management, and organizational behavior. The course sequence should be followed closely. Contact the OM Business Advisor via catherine.lawton@sfcollge.edu.

Admission to the B.A.S. program requires:

- Completion of an A.S. or A.A. degree
- A GPA of 2.5 or higher
- A complete Organizational Management application packet

Students who have not done so already (e.g. as part of the associates degree) must complete:

- The General Education requirements
- **ACG2001 and ACG2011** (or ACG2021) as prerequisites for ACG3024
- **ECO2023 and ACG2011** (or ACG2021) as prerequisites for MAN3025
- **ENC2210** as a prerequisite for GEB3213
- **ECO2023** as a prerequisite for ECP3703

Commitment to Equal Access and Equal Opportunity
