### Total SF Semester Hours = 60

The Bachelor of Applied Science in Organizational Management (O.M.) prepares individuals for management and supervisory positions in a variety of professions. The program provides a career and educational pathway for students who have earned an Associate of Science degree in a professional or technical discipline. This degree also provides an excellent opportunity for individuals who have already entered the workforce and are interested in acquiring business management, leadership, and supervisory skills. Students will be exposed to the theory and practice of business management including finance, economics, law, human resource management, and organizational behavior. The course sequence should be followed closely. **Graduation requirement is a 2.0 overall GPA and a grade of 2.0 or higher in all required courses.** Contact the OM Business Advisor via [catherine.lawton@sfccollege.edu](mailto:catherine.lawton@sfccollege.edu).

#### Admission to the B.A.S. program requires:

- Completion of an A.S. or A.A. degree
- A GPA of 2.5 or higher
- A complete Organizational Management application packet

#### Students who have not done so already (e.g. as part of the associates degree) must complete:

- The General Education requirements
- **ACG2001 and ACG2011** (or ACG2021) as prerequisites for ACG3024
- **ECO2023 and ACG2001** (or ACG2021) as prerequisites for MAN3025
- **ENC2210** as a prerequisite for GEB3213
- **ECO2023** as a prerequisite for ECP3703

#### Commitment to Equal Access and Equal Opportunity

Santa Fe College is committed to an environment that embraces diversity, respects the rights of all individuals, is open and accessible, and is free of harassment and discrimination.
