The Bachelor of Applied Science in Organizational Management (OM) is designed to prepare individuals for management and supervisory positions in a variety of professions. **The Public Safety track requires an AS degree or Certificate in Law Enforcement, EMS, or another Public Safety program.** The program provides a career and educational pathway for students who have earned an Associate of Science degree in a professional or technical discipline. This degree also provides an excellent opportunity for individuals who have already entered the workforce and are interested in acquiring business management, leadership, and supervisory skills. Students will be exposed to the theory and practice of business management including finance, economics, law, human resource management, and organizational behavior. The course sequence should be followed closely. Contact the OM Business Advisor via catherine.lawton@sfcollge.edu.

Admission to the BAS program requires:

- Admission into Santa Fe College
- Completion of an AS or AA degree
- A GPA of 2.5 or higher
- A complete Organizational Management application packet.

Students who have not done so must complete:

- The General Education requirements
- ACG2001 or ACG2021 as a prerequisite for ACG3024
- ENC2210 as a prerequisite for GEB3213
- ECO2023 as a prerequisite for ECP3704
