

Award on Hold – Part of RFP 07-20C

The award for the Disaster Recovery and Remediation Services portion of the award is currently on hold while the College and Consortium review a notice of protest as well as other information.

We will hold a second evaluation meeting as per Addendum 2.

An updated award notice will be posted on Wednesday afternoon or Thursday morning.

This hold only affects the Disaster Recovery and Remediation Services portion of the award. The Debris Monitoring portion's recommended award stands.

Update (8/13/20) – please see Addendum 3
