Limitations and Exclusions

Delayed Effective Date:

Employee: Insurance will be delayed for employees not in active employment until the first of the month, coincident with or next, following the date they return to work. Regularly scheduled vacation time is considered active employment.
Dependents: Coverage for totally disabled dependents will be delayed until the first of the month, coincident with or next, following the date the individual is no longer disabled. This delay does not apply to newborn children while dependent insurance is in effect. "Totally disabled" means that, as a result of injury, a sickness or a disorder, your dependent is confined in a hospital or similar institution; is unable to perform two or more activities of daily living (ADLs) because of a physical or mental incapacity resulting from an injury or a sickness; is cognitively impaired; or has a life threatening condition.

Exclusion for Suicide:

Where the cause of death is suicide:

1. No benefits will be payable for a loss occurring within 24 months after the individual's initial effective date; and
2. No increased or additional insurance will be payable for a loss occurring within 24 months after the day such increased or additional insurance is effective.

This Suicide Exclusion does not apply to Washington residents.
