

## EXTENSION OF STUDY ABROAD BEYOND COLLEGE-APPROVED TRIP

This form should be completed if you plan to deviate in any way from the College-approved trip

Use the space below to explain your plans to deviate from the College's study abroad trip, including dates of travel, places to be visited, and related information (**note: receipt of this information does not impose a duty upon the college to review, approve or monitor student's plans – it is for general information only**). Include dates, times and locations for joining the study abroad group and/or for departing from the study abroad group – this must be discussed with the faculty member leading the trip and noted on this form. *Please turn in this form one month prior to departure.*

If I do not plan to travel with the study abroad group from Florida to the first scheduled destination, I understand that if I do not meet the group at the designated time and place, I will forfeit all rights to join the group and will not receive a refund of any funds paid; nor will I receive course credit.

I am fully aware of the risks and hazards connected with deviating from the College-approved trip, including but not limited to the possibility of getting lost, becoming a victim of a crime, and becoming ill. I am fully aware that there may be risks and hazards unknown to me as well, and I hereby voluntarily elect to make my own arrangements, knowing that conditions may be hazardous or dangerous to me. I travel at my own risk.
