

# Santa Fe College Rules Manual

---

---

**Title:**                    **Contracts for Community Education Services**                    **Rule 5.13**

General Authority: FS 1001.64  
Law Implemented: FS 1001.64, 1001.65(5)

Effective Date:        October 18, 1984

---

---

**Purpose:** To provide for contracts for services and rental of facilities for Community Education.

The College is authorized to provide for instructional staffing of any Community Education course by means of a contract with other governmental agencies, private individuals, or any form of business organization.

Any contract for instructional services shall provide that all instructors shall satisfy qualification requirements established by the College.

The College is authorized to provide for instructional services through the rental of governmental or private facilities for the purpose of offering Community Education courses and programs.
